

AMII COLLECTION

AMII is a premium home fragrance manufacturer creating refined products that bring emotion, atmosphere, and meaningful moments into everyday spaces.

Founded in Estonia, AMII is built on craftsmanship, consistency, and long-term relationships. Our products are defined by high quality and a calm, refined appearance that feels timeless rather than trend-driven.

All AMII products are handcrafted in small batches using carefully selected, high-quality and environmentally conscious materials. We work with 100% soy wax from renewable sources, phthalate-free fragrance compositions, and considered design details to ensure a clean, balanced, and sophisticated fragrance experience across all product categories.

Our collections are designed with gifting and interior harmony in mind — thoughtful objects that complement spaces, support everyday rituals, and feel personal yet universally appealing.

We are committed to continuous product development and the creation of new collections, guided by restraint, quality, and emotional clarity.

AMII products are made to be noticed, gifted, and remembered.

REED DIFFUSERS – 100 ml

Net wt 100 ml

An understated and elegant way to fragrance interiors.

This collection is designed to bring a refined and continuous scent presence into the space, unfolding gently over time and enhancing the atmosphere without overwhelming it.

Each diffuser is created using carefully selected, high-quality fragrance compositions to ensure a balanced and consistent scent experience.

The diffuser liquid is designed for steady fragrance diffusion, allowing the intensity to be adjusted by the number of reeds used.

Housed in clean, minimalist glass bottles, the collection blends effortlessly into a wide range of interior styles.

White and black fiber reeds complete the design and support effective fragrance diffusion.

- Dreams – soft, floral and lightly powdery
- Honeysuckle & Sandalwood – delicate florals balanced with warm woods
- Lavender Breeze – fresh, calming and aromatic
- Twilight Garden – green, floral and gently earthy
- Winter Morning – crisp, clean and subtly fresh

REED DIFFUSERS – 150 ml

Net wt 150 ml

Designed to bring depth and a refined, lasting scent presence into the space, these reed diffusers unfold gradually and remain elegantly balanced.

Created with carefully selected, high-quality fragrance compositions, the scent diffuses consistently over time.

The intensity can be adjusted by the number of reeds used, allowing the fragrance to be tailored to different rooms and preferences.

Housed in softly frosted glass bottles, the collection balances modern design with a subtle sense of luxury.

Natural rattan reeds complete the design and support gentle, effective fragrance diffusion.

Sakura and Casa Luna are presented in white glass, while Nomad and Amara are available in black glass.

- Casa Luna – a deep and sensual fragrance with a dark, elegant character, creating an intimate and atmospheric mood
- Sakura – rich, warm and slightly sweet, combining fruity depth with a refined, modern edge
- Nomad – bold and confident, with a smooth, warm presence that feels expressive and distinctive
- Amara – soft, comforting and gently sweet, offering a warm and inviting scent experience with a modern twist

REED DIFFUSER REFILLS

Net wt 100 ml

Reed Diffuser Refills are designed to extend the life of your AMII reed diffuser while maintaining the same refined and balanced scent experience.

They allow favourite fragrances to be renewed effortlessly, supporting continuity without replacing the original glass bottle.

Each refill is created using carefully selected, high-quality fragrance compositions, ensuring consistency in scent character over time.

Designed to complement all AMII reed diffuser collections, the refills offer a considered and long-lasting approach to interior fragrance.

Length and diameter:

Fiber sticks: 26 cm, Ø 4 mm

Rattan sticks: 25 cm, Ø 4 mm

Designed for those who refresh and complete the AMII reed diffuser experience.

Replacing the reeds allows the fragrance to diffuse more effectively and restores the clarity and balance of the scent over time.

The selection includes both fiber and natural rattan sticks, offering flexibility while maintaining a refined and minimal aesthetic.

Carefully chosen materials ensure reliable fragrance absorption and a clean, elegant appearance that complements AMII diffuser bottles.

Intended for renewing existing diffusers, these sticks support a consistent and elevated scent experience.

- Black fiber sticks
- White fiber sticks
- Natural rattan sticks

CAR FRAGRANCE SETS

Handcrafted oak fragrance holder
Cotton fragrance sticks (4 pcs)
Adjustable scent intensity
Approx. 40+ days

Designed for those who bring a refined scent experience into everyday journeys, combining natural materials with carefully composed fragrances.

The handcrafted oak holder attaches discreetly to the car's air vent, allowing the fragrance to diffuse gently while driving and creating a refined, calm and balanced atmosphere inside the car.

The intensity of the scent can be adjusted by the number of scented sticks used — fewer sticks for a subtle presence, more for a stronger fragrance experience.

The fragrances are developed to unfold gradually, remaining elegant and never overpowering, making them suitable for both short drives and longer journeys.

A thoughtful balance of design, function and atmosphere, these sets are created for those who value understated luxury and thoughtful details even on the move.

- Elegance – sandalwood, white cedar & amber
- Luxury – sandalwood, honeysuckle & oak
- Prestige – bergamot, freesia & jasmine

CAR FRAGRANCE REFILLS

Cotton fragrance sticks (4 pcs)
Pre-infused with high-quality fragrance oil
Approx. 40+ days

Designed for those who extend and refresh the AMII car fragrance experience while maintaining the same refined scent character.

Made from absorbent cotton and infused with carefully selected fragrance compositions, the refills ensure a consistent and balanced scent release.

The intensity of the fragrance can be adjusted by the number of sticks used, allowing the scent experience to be personalised.

Replacing the scented sticks restores clarity and freshness to the fragrance and supports a clean, elegant aroma throughout daily use.

Created as a seamless continuation of the original product, refills allow customers to enjoy their favourite scent again and again — effortlessly and consciously.

- Elegance – sandalwood, white cedar & amber
- Luxury – sandalwood, honeysuckle & oak
- Prestige – bergamot, freesia & jasmine
